Title: Ray Charles
Tabbed by: Nico Maeda

From standard tuning, put capo on 2nd fret

C
There were times I left your heart in pain
CM7
Time again I've turned and walked away
C7 F
I get to where I'm going just to find
Dm G7
Won't be happy in this world
C Am
If you're not by my side
Dm7 G7 C
Ellie, my love so sweet

My heart told me to break away
CM7
Now I'm out here far away
C7 F
Wish that I could hold you in the night
Dm G7
Then I'd wake up to a morning
C Am
That is warm and bright
Dm7 G7 C
Ellie, my love so sweet

Dm G7
Smile for me, won't you, baby
C Am
Forever you'll be on my mind
Dm G7
Drink with me won't you baby
C Am
We're gonna make it right this time
F G7
There's no one else like you

C Am
Anything you want, I'll do
Dm7 G7 C
Ellie, my love so sweet
Dm7 G7 C
Ellie, my love so sweet

C
My heart told me to break away
CM7
Now I'm here so far away
C7
Wish that I could hold you in the night
Dm G7
Then I'd wake up to a morning
C Am
That is warm and bright
Dm7 G7 C
Ellie, my love so sweet

```
 Dm                          G7
Smile for me, won't you, baby
 C                          Am
Forever you'll be on my mind
 Dm                         G7
Drink with me won't you baby
 C                                  Am
We're gonna make it right this time
 F              G7
There's no one else like you
 C           Am
Anything you want, I'll do
 Dm7      G7       C
Ellie, my love so sweet
 Dm7      G7       C
Ellie, my love so sweet
```

```
 Dm                          G7
Smile for me, won't you, baby
 C                          Am
Forever you'll be on my mind
 Dm                         G7
Drink with me won't you baby
 C                                  Am
We're gonna make it right this time
 F              G7
There's no one else like you
 C           Am
Anything you want, I'll do
 Dm7      G7       C
Ellie, my love so sweet
 Dm7      G7       C
Ellie, my love so sweet
